

# CORNING YOUTH FOOTBALL

---

Friends of Corning Youth Football League,

The newly formed Corning Youth Football League is a 501 (3) C, TAX EXEMPT, non - profit organization. The program will provide boys and girls from the Corning Painted Post community with a safe and structured environment to learn to play football. The program also instills strong core values such as sportsmanship, work ethic, teamwork and a sense of pride for the community we live in.

This program is being developed to allow boys and girls the opportunity to participate in a USA Heads Up Football program that teaches the technique and terminology that are used in the Corning Hawks Football program. ***This can only happen with the support from sponsors, the community, and local businesses such as yourself to support our football players.***

If you are interested in teaming up with us this season and becoming a new sponsor of the CYFL program we encourage you to preview the packages available and let us know which you may be interested in. Every dollar, from every sponsorship, is put immediately into the FYFC program.

Please accept our invitation as well to come to a home game and cheer on our Corning Youth Football League players. Being a brand new league there are several big ticket items to purchase in helmets, shoulder pads, and jerseys along with pants, pads, footballs, first aid kits, as well as any scholarships for families that need some additional help. We appreciate whatever donation you can make to our newly founded organization.

We recognize that we are not able to have a season in the fall of 2020 due to health concerns, however we are hoping to raise enough funds for equipment, uniforms, and other materials to keep the fees as low as possible for 2021. We are committed to having our helmets reconditioned (checked by helmet company to ensure helmet integrity and player safety) every two years, and making sure players have good equipment and coaches who will instill live values through the game of football with them.

Thank you for your support!
