

CORNING YOUTH FOOTBALL

Dear Friends of Corning Youth Football League,

Corning Youth Football League had an amazing first year in 2021. The program provides boys and girls from the Corning Painted Post community with a safe and structured environment to learn to play football. The program also instills strong core values such as sportsmanship, work ethic, teamwork and a sense of pride for the community we live in. We were able to provide this experience for about 70 local players.

This program was developed to allow boys and girls the opportunity to participate in a USA Heads Up Football program that teaches the technique and terminology that are used in the Corning Hawks Football program. ***This can only happen with the support from sponsors, the community, and local businesses such as yourself to support our football players.***

If you are interested in teaming up with us this season and becoming a new sponsor of the CYFL program we encourage you to preview the packages available and let us know which you may be interested in. Every dollar, from every sponsorship, is put immediately into the program.

Please accept our invitation as well to come to a home game and cheer on our Corning Youth Football League players. We are committed to providing high quality equipment like helmets, shoulder pads, and jerseys. We also offer scholarships for families that need some additional help. We appreciate whatever donation you can make to our newly founded organization.

Thank you for your support!

The Corning Youth Football Board of Directors
